

# More & More

As this is our 1st service of 2022 I feel that we are to focus on Increasing our expectations.

Expect Great things from God. Attempt Great things for God.

There are benefits to the Children of God who serve the purposes of God.

And the Bible

There are benefits to serving God & the Bible teaches that we are to forget **NONE** of His benefits.

Full benefits of what it means to be a christian

Most churches teach about heaven but not how to live on the earth

Jesus gave HIS life so we could have life in 2 dimensions.

**ETERNAL LIFE** - the death burial and resurrection gives eternal life.

Say **ETERNAL LIFE**

John 10:10 life qualified more abundantly a thief that operates in the world seeks to kill and destroy

- [ABUNDANT LIFE is for earth.](#)
- [ETERNAL LIFE is for heaven](#)

You won't need abundance when you get to heaven. / there is no lack in Heaven.

What makes Heaven Heaven?

1. Jesus is there, but HE is here
2. Gold streets and mansions

What makes it heaven is that HIS will is unopposed

Thy will be done on earth as it is in heaven

There was once upon a time a rebellion in heaven against the will of God it lasted micro second.

Luke 10:18 (AMPC) And He said to them, I saw Satan falling like a lightning [flash] from heaven.

It was lightening and it was over

## **EVERY WHERE GODS WILL IS UNOPPOSED HEAVEN MANIFEST**

God's intentions for HIS people

God doesn't intend for his people to worry, to be stressed, wore out trying to get more

Psalms 67 when people align themselves even the earth will yield itself and give you an increase

The things that have been resisting you will start supplying you.

I'm coming as your Pastor, your spiritual father

To download information to empower you

2022 is time to risk it. Step out and into something grand.

The Spirit of God, I feel, is going to trouble your nest, your comfortable position.

**"Its okay try to fly you won't die" Stretch out, step out -**

Psalms 115:11-16 (TPT) Yes, all his lovers who bow before him, trust in the Lord. For he is our only true hero, God-wrapped-around-us as our shield. [12] The Lord will never forget us in our need; he will bless us indeed! He will bless the house of Israel; he will bless the house of Aaron, his priest. [13] Yes! He will bless his lovers who bow before him, no matter who they are. [14] (14-15) God himself will fill you with more. Blessings upon blessings will be heaped upon you and upon your children from the maker of heaven and earth, the very God who made you! [\[Psalms 115:14 \(AMPC\) May the Lord give you increase more and more, you and your children.\]](#) [16] The heavens belong to our God; they are his alone, but he has given us the earth and put us in charge.

Will never forget you in your need

God is always aware of your situation.

In the midst of our need he chooses to bless

You never truly understand the power of the blessing till it manifest in the midst of your season of need.

## MORE & MORE

Can you add faith to that declaration?

Can you add faith to **More and MORE**

Close your eyes and engage your imagination for a moment.

You are standing before the greatest monarch the world has ever known.

He is sitting upon a throne that is mind blowingly outrageous.

And his throne is in a room that looks like something out of a movie but better and this room is just one of hundreds in his immense and obscene palace.

As you stand before this one whose affluence and influence seem boundless he says to you.

I am really fond of you and so I am going to bless you.

Your mind goes “tilt” what does this mean. He could give you your own country

But then he interrupts your daydream when he says, “Naw, forget that I am not going to bless you. I am going to bless you more.”

You can feel your temperature raise as your brain begins to melt.

Then he says again, “No, you know what I am gonna do? I am going to bless you MORE & MORE.”

Can you see this in your imagination?

Open your eyes.

Some of you may think that was a stupid exercise. The rest of this sermon won't mean much to you.

You've lost your ability to imagine and that is why faith is so foreign to you.

**\* If you can't see with more than your eyes you'll never move beyond what you see.**

But to those of you who could imagine that scene and its impact on your life. Let me read this verse to you

Ephesians 3:20 (TPT) Never doubt God's mighty power to work in you and accomplish all this. He will achieve infinitely more than your greatest request, your most unbelievable dream, and exceed your wildest imagination! He will outdo them all, for his miraculous power constantly energizes you.

## MORE & MORE

Has to do with quantity and consistently.

אָפּאַפּאַפּ = to add, increase, do again

God's promise is that I am going fill your cup to overflow and then do it again and again and again.

## MORE & MORE

Now I asked you if you could mix faith with this Bold Statement

Because if you don't mix faith with it you make it ineffective - not producing any significant or desired affect.

Hebrews 4:2-3 (TPT) For we have heard the good news of deliverance just as they did, yet they didn't join their faith with the Word. Instead, what they heard didn't affect them deeply, for they doubted.

Hebrews 4:2 (NASB) ...but the word they heard did not \*profit them, because it was not united by faith in those who heard.

Profit = ὠφελέω *ōpheleō*; to help, benefit, do good: to do good.

They heard the very promises of God but it did not benefit them, did not help them and did them no good. Why? Because they did not unit the sound in their ears with the faith in their heart.

Please make that connection right now

[3] For those of us who believe, faith activates the promise and we experience the realm of confident rest!....

Heaven belongs to God / Earth belongs to man

What happens in Heaven is up to God what happens in the earth is up to you

Well if God wants me to have it He'll give it to me.

God's gonna have HIS way

God rarely has HIS way

If God has HIS way there would have been not a single abortion

If God has HIS way there would have no pain, no sorrow not tragedy

The devil must have a partner

For hate to get into our culture there must be a hater

For lies to get into our culture there must a liar

Heaven is looking for partnership

Will you partner with God?

Eccle 10:2 The Message Bible 2 Wise thinking leads to right living; Stupid thinking leads to wrong living.

Proverbs 10:22 (AMPC) The blessing of the Lord--it makes [truly] rich, and He adds no sorrow with it [neither does toiling increase it].

- The mission of the blessing is the endowment of God's people
- The purpose of the endowment is Kingdom building.

Deuteronomy 8:18 (NASB) "But you shall remember the LORD your God, for it is He who is giving you power to make wealth, that He may confirm His covenant which He swore to your fathers, as it is this day.

Until you and I have learned to align our lives with God's purposes and have allowed the blessing to make us rich - the covenant of God is not yet confirmed, established in our lives.

The Bible does not instruct us to pacify the poor - it instructs us to empower the poor to break free of poverty.

But religion propitiates poverty by making it a sacred status.

God's answer to poverty is the blessing and the blessing endows us with all we need.

We gotta be well endowed

When we are resourced then we can become a source to those around us

Genesis 12:2 (NASB) And I will make you a great nation, And I will bless you, And make your name great; And so you shall be a blessing;
