To Parents of Young Children

RELAX! God put the wiggle in your children; don't feel you have to suppress those wiggles in God's house.

- ▶ Consider sitting near the front where it easier for your little ones to engage.
- ▶ Quietly explain the parts of the service and actions of the pastors, musicians and leaders.
- ▶ Sing along aloud, pray and voice the responses. Children learn behavior by mimicking you.
- ▶ If you must leave the Sanctuary with your child, feel free to do so, but please come back. As Jesus said, "let the children come to Me."

For Your Family

CHOSEN CHILDREN MINISTRIES - each week while your in church your children are enjoying a safe environment filled with laughter and learning. You can rest assured your littles are loved and cared for

Now more than ever we need help with seating, and serving the congregation. This is no small deal - this is huge! Its a labor of love that God watches and rewards. Please let us know (online or in person) that you are willing to serve God's people by stepping up to become a Real Life Church Usher.

We have learned that the Blessing is ours. We are not striving to be blessed, we are learning to live blessed. Together we will discover how the blessing eradicates poverty. There are no poor people among the community of the blessed. We will also learn to turn it on.

It is OUR job to spread the hope, joy and love of Christ. Therefore we encourage you to reach out into your network of friends, co-workers and neighbors to invite them to Real Life Church. Where they can hear the Good News.

TAKING CARE OF LITTLE ONES

Real Life Church is blessed with a tremendous army of volunteers who care for, minister to and trains your little ones.
